NEIGHBORHOOD CONCEPT DESIGN REVIEW MEETING

TO RESIDENCES OF: 12th St S – Glebe Road to S. Highland Street

FROM: Mitch Opalski (Block Representative) – Mitch@shcarlington.com
Adam Henderson (Douglas Park Civic Association President) – President@Douglasparkca.org

DATE & TIME: Thursday, April 5, 2018 / 7:15 PM – 8:45 PM

LOCATION: Fire Station #9 – 1900 S. Walter Reed Drive (meeting will be located in the downstairs conf. room)

TOPIC OF DISCUSSION: Review of concept design for proposed Neighborhood Conservation street improvements on 12th St S, Glebe Road to S. Highland Street. **Complete curb, gutter & a 4-ft wide sidewalk on the north side of 12th St S between Glebe Road and S. Highland St, to include possible retaining walls at several properties, and curb & gutter only on the south side. In addition, storm drainage improvements and new driveway aprons will be installed, where needed.** Arlington County Staff will present the concept design for the affected homeowners to review. **Please note that another vote will take place prior to approval of any project proposed.** This is an opportunity for residents to see the design in preparation for a final vote.

County Staff for this meeting will include:

Angela Marshall	NC Planner/Project Manager Primary Point of Contact	703 228-3209
Tim McIntosh Matthew Trout	NC Program Coordinator DES Engineer Supervisor	
Jiong Lin Jill Yutan	DES Design and Engineering NC Landscape Architect	703-228-0784 703-228-3825

Please contact Project Manager, Angela Marshall with questions regarding this proposed project. We welcome and encourage your involvement.
